Alumawood Patio Covers

COMPETITIVE PRICING,

LIMITED LIFETIME WARRANTY

Alumawood shade structures offer two distinct product lines:
Lattice Roof lends an air of sophistication and charm to your home's exterior, and helps you reduce your exposure to the sun by 40 – 60% without screening out refreshing breezes.
Solid Pan Roof shade structures provide you and your family with maximum protection. It's a perfect choice when you want an outdoor living area shielded from the sun, rain, snow or other elements.
