

RollEase®

SUNSHADOW

SierraSol

Cleaning and Maintenance Instructions:

Roller shade fabric sold under the Almedahls and SierraSol brands may be cleaned by regular dusting or vacuuming with a soft brush attachment. For stained shades, sponge the fabric with a mild detergent and thoroughly rinse. Allow the shade to dry completely before raising. Do NOT completely immerse the fabric. If commercial spot cleaners are used, they must first be tested and allowed to dry in an inconspicuous area to ensure compatibility.

Solar shade, PVC-coated fabric may be cleaned by occasional vacuuming. For stained shades, brush the fabric with a mild detergent and thoroughly rinse. Allow the shade to dry completely before raising. Do NOT completely immerse the fabric. If commercial spot cleaners or diluted bleach mixtures are used, they must first be tested and allowed to dry in an inconspicuous area to ensure compatibility.

Do not use cleaning methods involving heat, bleach, abrasives, or solvents. Use of these methods will void the warranty.
